STUDENT WELFARE POLICY

In New South Wales the Public School System is responsible for:

- The raising of standards and levels of educational achievement
- The provision of quality education for all
- The care and safety of students in its charge.

School is a partnership between parents and teachers based on responsibility and mutual respect. It should set the example of appropriate behaviours that we expect within the community and Australian society.

Children should have an understanding of appropriate behaviours which will develop a responsibility for his or her own actions.

STRATEGIES FOR DEALING WITH UNACCEPTABLE BEHAVIOUR

In our school, everybody has the responsibility to keep our agreed code of conduct. If you choose to not to keep a rule, then there will be a consequence. The consequences are related to the broken rule. Teachers follow-up on all unacceptable behaviour in a calm manner. Consequences lead to the student developing self discipline by taking responsibility for their own actions.

Consequences are
- fair
- certain
- known in advance
- logical and related to the action
- either immediate or deferred, depending on individual and situation.

The following strategies will be used to deal with unacceptable behaviour:

- **Tactical ignoring**
  To reinforce on-task behaviour.
  Teacher gives no direct eye contact for off-task behaviour.

- **Simple direction**
  Use respectful language accompanied by please and thank you. Keep directions simple.

- **Positive reinforcement**
  Pick up on-task behaviour and acknowledge it.

- **Rule reminders**
  Simply restate the rule.
  Don't get caught up in a discussion.

- **Restitution**
  Planning a way of making things right.
  Verbal/written apology and a plan for rebuilding or repairing.

- **Isolation from peers**
  When a student continues to be disruptive, give a choice to work quietly or to move away from the group within the room.
For minor issues

**Procedures:**
1. Verbal warning
2. Name on board
3. Time Out (removal from class)
4. Warning Book
5. When a child’s name is recorded in the Warning Book, they’ll need to spend second half of lunch in “Reflection”.
   The Warning Book is there to remind students of the consequences of their behaviour. If a child’s name is recorded 3 times in the Warning Book during a term, parents are notified via a written letter from the principal.

*Reflection*
This is thinking time.
Children are given this time when they have had several rule reminders and yet, they have chosen to continue the negative behaviour.
Children must think and write or verbally respond to:
- What happened?
- Who has been affected?
- How can we involve everyone who has been affected in finding a way forward?
- How can I do things differently in the future?

Time Out reports are collated by the teacher for future monitoring.

For major issues
The student will go directly into the Warning Book.

- **Removal from class**
  When faced with aggressive, dangerous, tantrum or any behaviour that continues to disrupt learning within the group, the teacher may need to remove a student from the class to the principal or another teacher.

- **Behaviour contract**
  Involving principal, parents and class teacher. This contract indicates that there is a serious problem with the child’s playground or classroom behaviour.
  A daily monitoring card will provide communication between home and school.
If a student has had three letters sent home in a term, this will result in suspension.
- 1st letter home: detention
- 2nd letter home: warning of suspension and detention
- 3rd letter home: suspension

SEVERE BEHAVIOUR

Parents will be contacted for severe behaviour:
- Violent physical and/or verbal behaviour towards another individual.
- Deliberate destruction of property.
- Disrespect to a teacher or person in authority.

SUSPENSION

(From “Good Discipline and Effective Learning”, a DSE Ministerial Statement.)
The Principal will immediately suspend any student who commits the following offences:
- possession of a suspected illegal substance. (Police will be notified.)
- any student intentionally causing injury or threatening serious violence against another student or teacher.
- any student in possession of a prohibited weapon, or using, or threatening to use, any item or instrument as a weapon.
