Permission Note: Child Protection Lessons

Dear Parent

As part of the Personal Development, Health and Physical Education curriculum students will participate in Child Protection lessons.

These lessons will help students identify dangerous or uncomfortable situations and to seek help from trustworthy adults. Some lessons may involve the naming of parts of the body.

The Child Protection lessons have been developed by the Department of Education and they are an important priority for schools.

I trust that you will support your child's participation in the program and return the permission slip below to your child's teacher. Please contact the school if you have any questions.

Yours Sincerely

V Pantelis
Principal (Rel)
